FROM THE PRINCIPAL’S DESK

GOVERNING COUNCIL

The Governing Council Annual Meeting is scheduled for Monday evening 18th March. The role of Governing Council is a really important one within the school, particularly in relation to governance issues including the budget. Two to three meetings are held each term on a Monday evening and are advertised in the school planner that goes home with the newsletter at the beginning of each term. The Principal gives a report at every meeting. This focuses on the Site Learning Plan, program and events, National and State educational initiatives and priorities as well as local issues that arise as they relate to Meningie Area School. Data is shared in relation to site targets and priorities.

Getting involved in Governing Council is a wonderful way to get to know not only what happens in your child’s own school, but education in the broader context. Please see information about nomination for Governing Council 2013 in this Newsletter.

UNIFORM

It has been encouraging to see most students regularly in school uniform. I understand we have had some delay in relation to school shorts and I seek your patience in this regard. We ask that parents monitor the type of clothing young people wear to school at all times and work within the guidelines set by Governing Council in this regard.

ATTENDANCE

There is no doubt that we made a great start with attendance in the first two weeks of the school year. However, the data for this fortnight across the school is not as good.

To be on target of 90% across the school every week means that every student needs to be here at school daily unless ill or for a very good reason.

Of real importance for every student is consistent and regular attendance. There are just so many positives about regular attendance. In the classroom this means that the learning is not being missed. That the practice of new skills is being reinforced and foundations for new learning are being cemented. Perhaps one area we as adults don’t always think about is the development of peer friendships and relationships with both other students and teachers. For these to happen it takes time.

To get to know, trust and appreciate others means spending time together. Schools are set up for this to happen. Recess and Lunch times are good
examples of where relationships are developed, but by no means the only occasions.

Learning opportunities in class, through Pastoral Care, on camps and excursions are just some of the situations in which students, peers and staff get to know each other. Our data over the years often shows that the attendance of students is poor when the regular school program is changed.

For example, our two recent swimming carnivals are a good example of this. The Meningie Swimming Carnival program is designed for all students to have a go at something, unlike the Interschool Swimming Carnival in which only those who were selected were required to attend. Whilst both situations were different, we found that student attendance at school dropped. As parents and caregivers we seek your support in encouraging your child/children to be a part of what there is on offer, as the purpose of such activities is more than just learning in the classroom and is as much about relationships, and personal growth.

**MENINGIE ATHLETICS CARNIVAL**

A REMINDER THAT the 2013 Meningie Area School Athletics Carnival is on next Thursday, 7\textsuperscript{th} March at the Meningie School oval. Events will commence at 9.00 am. It would be great to see parents and caregivers attend on the day to give their support.  
ALL students are expected to attend as it is a school day.  
Information and a Program will be sent home with students next Tuesday.

---

**CONGRATULATIONS!**

Congratulations Ben Schaefer, Lucy Waster, Kobie Hood, Melissa Brown, Gena Mansfield and Katie Aspel for their selection to represent the Murray Mallee SAPSASA Swimming Team!

These students will complete in the SAPSASA Country Championships at the new SA Aquatic & Leisure Centre on Friday 22\textsuperscript{nd} March.

FOOD STALL AT ATHLETICS DAY

To the school community and local community,

On Thursday, Week 6 Meningie Area School is having a Sports Day and the Year 9-10 VIP class are going to have a fundraiser. Our VIP class is going through the process of making a vegetable garden and we would like to do a fundraiser so we can afford to buy some fruit trees. We will be selling various foods and cool drinks on the day. Although we will be cooking ourselves any donations of cakes or biscuits to sell on the day would be appreciated.

*With thanks from the VIP class*

**FOOD**
- Cupcakes - $1.00
- Biscuits - $0.50c
- Jelly cups - $1.50
- Scones - $1.00
- Lollies - $1.00

**DRINKS**
- Free water
- Fruit boxes –

**GUESSING CONTEST**
- Big lolly jar – 1 guess $2.00
  - 3 guesses $3.00
  - 5 guesses $4.00
- Small lolly jar – 2 guesses $1.00

**TAX FILE NUMBER APPLICATIONS**

The Australian Taxation Office (ATO), with the cooperation of schools, offers students aged 13 years or over the opportunity to apply for a tax file number (TFN) through school. This is a voluntary program and makes it easier for students to obtain a TFN.

Students need a TFN for employment, applying for Centrelink benefits, opening a bank account or deferring university fees.

Applying for a TFN through the school is easier because students do not need to show identifying documentation to the ATO. The application form is available from the school and students can complete it at home. The form requires information such as the student’s name, address and date of birth. Students also need to provide the following details:

- **Students born in Australia will need to provide their:**
  - birth certificate number, state of issue and year of registration, or
  - Australian passport number and date of issue.

- **Students born overseas will need to provide their:**
  - overseas passport number and country of issue, or
  - Australian citizenship certificate number and date of issue, or
  - Australian passport number and date of issue.

It is important that the application form is fully completed and signed by the student. All information provided on the form will remain confidential.

The school will certify the application form by cross-checking against the information held on their records. Students are not required to show identifying documentation to the school or the ATO.

Students will receive their TFN via a notification letter sent to their postal address, within 28 days of the application being received by the ATO.

If you have any questions, please phone 13 28 69 between 8.00 am and 6.00 pm, Monday to Friday and ask for the Community Education and Assistance area.

The Interschool Swimming Carnival was held at the Coonalpyn Pool on Thursday 21st February in brilliant conditions, this year hosted by Karoonda Area School. The team that represented Meningie at the Interschool Swimming Carnival was selected from our own Swimming Carnival held previously on Thursday 14th February. Unfortunately, due to a lack of competitors at the Meningie Swimming Carnival, our Interschool Swim Team had many vacancies. However, Meningie was impressively represented by those who competed on the day.

Zac Vandenbrink and Marni Hood swam exceptionally well throughout the day and were recognised as Male and Female Swimmers of the Meet. Zac broke both the 50m and 100m freestyle events. Marni and Zac, along with Aleisha, Williams, Holly Vandenbrink, Mikayla Smart, were selected to represent the Upper South East Swimming Team in the SSSSA D-Grade Championships at the Marion Aquatic Centre on Wednesday 27th February. Thanks must go parents for timing on the day and any others who kindly gave their time. Their assistance enabled us to contribute to a successful carnival and at the same time keep the school open. Thanks also to the staff who provided excellent support on the day, in particular Katrina Hood who was responsible for most of the pre-carnival preparation.
